

\*\*\*\*\***The new field with the wire fence is now our main practice field**\*\*\*\*\*

1. Practice pass holders may use **only the practice agility field during active times** at the training center. The covered arena and pastures may be used for tracking and other training-related activities only when there are no other PBH activities scheduled.
2. **The wooden fenced agility fields may only be used by PBH Staff.**
3. **Field practice is only for dogs and students actively enrolled in PBH classes or weekly private lessons.** Field use passes may be purchased by students who have completed at least one session of Pre-competition Teams or above. Special permission must be obtained before anyone other than the enrolled student can handle a dog during field practice. Special permission is also required to use the field for dogs not enrolled in classes.
4. **Practice is closed during private lessons.** There may not be people or dogs on the property at these times. If there is a private lesson scheduled, it will appear on the calendar as “busy”. Please give a 20 minute window before and after these sessions.
5. **Field users MUST check the calendar immediately before leaving to practice EVERY time.** Practice pass holders who come to practice during times when there is a private lesson on the calendar or when the fields are closed for any reason will lose practice privileges.
6. **If it is too wet and muddy in your backyard, it is too wet to practice at PBH.** Even if the fields are not marked as closed, if you or your dog are damaging the grass or field surface, please stop immediately.
7. **If the calendar lists PBH CLOSED, no one is allowed on the property for any reason** or activity without express permission.
8. Practice hours are 8:00AM to dusk when the field is not in use for other PBH activities. Check the PBH Field Practice Calendar on the web site for field availability.
9. If you arrive and someone else is already using the field, they have 20 minutes to finish before turning the field over to you. Sharing the field is done by mutual consent only. **Never enter the field without permission when someone else is using it.**
10. **Practice Field Use Rules**
  - a) Park in the non-gravel parking area off the lower part of the traffic circle.
  - b) **Field Practice Pass must be displayed in car window at all times.**
  - c) Contacts may not be moved except by PBH staff.
  - d) All equipment should be stored neatly in groups at the edge of the field at all times when not in use.
  - e) Jump bars must be secured to the fence, not left on the ground.
  - f) Do not tie dogs to the fence.
  - g) Broken equipment happens – please report it immediately so it can be repaired or replaced. You will not be charged for damage due to normal wear and tear.
  - h) There will be a large tub or baby pool collecting rain water for cooling off dogs, but you should always plan to bring your own as there is no hose at this field.
11. PBH students needing more than 30 minutes to practice, may reserve one agility field for 60 minutes for a cost of \$20. This must be scheduled directly with Val at least 2 days in advance so that it can be added to the web calendar.
